

Versatile Productivity

BOXER
BIG POWER IN ALL PLACES

“ The Boxer line was the perfect compliment to my expansive fleet of equipment. The ease of use, ability to perform big machine projects, and the superior after-sale service was a knock out. ”

BOXER Fleet Series: 100 | 300 | 400 | 500 | 700 | System Trailers

Specializing in the lighter side of heavy equipment, Boxer is dedicated to manufacturing and distributing the highest quality, most versatile and affordable fleet of compact machines in the world. Our fleet includes an array of dedicated equipment, compact utility loaders and attachments, articulating loaders and tow-and-go system trailers. That's why, when it comes to bottom line profitability and equipment you can count on, "Boxer Means Business."
