

Boxer® Warranty Registration

Dear Customer,

Morbark, Inc., manufacturer of the Boxer® Compact Utility Loader, would like to thank you for your purchase. Morbark is committed to providing unsurpassed products and product support to our customers. To accomplish this, we need to update our database with information regarding your purchase. Currently, the warranty start date (in-service date) is listed as the date the Boxer® Compact Utility Loader left Morbark, Inc., which may be several months before you received and placed your new Boxer® product into service.

To ensure you get the full warranty coverage for your purchase, Morbark, Inc. will restart the warranty start date (in-service date) if you complete the information below and return this form to us with a copy of the equipment invoice (bill of sale) verifying the in-service date of your Boxer® Compact Utility Loader. Without receipt of this form, we will continue to use the original equipment ship date as the warranty start date (in-service date) and not returning this form may result in denial of warranty entitlements.

To restart the equipment in-service date, simply complete the form below and mail, e-mail, or fax the completed form and bill of sale to:
