FOR IMMEDIATE RELEASE

MacKinnon Equipment & Services Joins Morbark[®], Boxer[®] Dealer Networks

Winn, Mich. (Oct. 6, 2015) – Morbark, Inc., is pleased to announce it has recently signed a contract adding MacKinnon Equipment & Services as the exclusive Morbark[®] tree care products dealer for northern and central Florida and southwestern Georgia. MacKinnon also becomes a Boxer[®] Equipment distributor; all North American Boxer distributors have non-exclusive territories.

MacKinnon Equipment will stock Morbark tree care products and Boxer equipment at their locations in Tifton, Ga.; Jacksonville, Fla.; Orlando, Fla.; Tampa, Fla.; and Fort Myers, Fla. (Lehigh Acres).

“We’re very excited to expand our product offerings with one of the most trusted and most innovative manufacturers of tree care products, Morbark, as well as their line of Boxer compact utility loaders,” said John Christiansen, MacKinnon Equipment & Services Chief Operating Officer. “Our founder has instilled the values of respect, integrity and professionalism in all we do, and we have found a match in Morbark.”

“MacKinnon Equipment shares Morbark’s dedication to customer success,” said Casey Gross, Tree Care Products Sales Manager for Morbark. “We have high standards for our dealers, and are confident that MacKinnon will meet those standards. Our customers will greatly benefit from their market expertise and their passion for providing exceptional customer service.”

About MacKinnon Equipment & Services:

For 33 years, MacKinnon Equipment & Services has been selling, renting and repairing equipment. A.D. “Sandy” MacKinnon founded MacKinnon Equipment & Services in 1982 and pledged to “earn the right to do business with customers each and every day.”

The company’s commitment to providing an outstanding customer experience and our diverse product and service offerings have netted our dealerships a rock-solid reputation for conducting business with integrity, respect, and the highest degree of professionalism.

About Morbark:

Morbark, Inc., based in Winn, Mich., has been innovating and manufacturing durable, high-performance equipment for the forestry, recycling, tree care, sawmill and biomass markets for more than 50 years. Morbark equipment helps customers harvest, process and convert wood and other organic waste materials into valuable, useful and profitable products. The company produces a full line of whole tree and waste wood chippers, flails, brush chippers, horizontal and tub grinders, sawmill equipment, material handling systems and more. About Boxer Equipment:

Boxer Equipment has three model series available: the 100 series dedicated trencher and the 300 and 500 compact utility loaders, built to handle a full complement of more than 50 universal attachments. The Boxer’s standard quick-attach system enables the user to quickly and easily switch from a bucket to forks to auger or other tools for optimum on-the-job flexibility and bottom line performance. A feature unique to the Boxer 500 series is its variable-width, rubber track undercarriage, which allows the units to enter through gates as narrow as three feet wide.
