FOR IMMEDIATE RELEASE

## Boxer<sup>®</sup> Distributor Network Expands

Winn, Mich. (March 15, 2016) – Boxer<sup>®</sup>, manufactured by Morbark, LLC, continues to aggressively expand its distributor network. The most recently added Boxer distributors are:

- Access Lift Equipment, Inc., in Chambersburg, Pa.
- All Service, in Pompton Plains, N.J.
- Austin Power Equipment, in Leander, Texas
- Enviro “Chipper” Ind., Inc., in Gold Hill, Ore.
- Harter Equipment, Inc., in Millstone Township, N.J.
- Mueller Implement, Inc., in Dodgeville, Wis.
- Murfreesboro Kubota, LLC, in Murfreesboro, Tenn.
- NorMont Equipment Co., in Black Eagle, Mont.
- PowerPro Equipment, stocking Boxer in its Allentown, Pa., and Ringoes, N.J., locations
- Thompson Rental Services, with four locations in central South Carolina

Enviro “Chipper” Ind. and NorMont Equipment Co. are also authorized Morbark<sup>®</sup> tree care equipment dealers.

“We continue to grow our Boxer distributor network around the country and even around the world,” said Mark Rau, Morbark Dealer Development Manager. “Our goal is to ensure we have the industry’s best customer support, delivered locally by knowledgeable and reputable local distributors. We look carefully at the companies we partner with, so we know they’ll provide the high-quality customer service that people expect from the Boxer and Morbark names.”

### **About Boxer Equipment:**

Boxer Equipment has five model series available: the new X7 chipper, the 100 series dedicated trencher and the 300, 500 and now 900 series compact utility loaders, built to handle a full complement of more than 50 universal attachments. The Boxer’s standard quick-attach system enables the user to quickly and easily switch from a bucket to forks to auger or other tools for optimum on-the-job flexibility and bottom line performance. A feature unique to the Boxer 500 series is its variable-width, rubber track undercarriage, which allows the units to enter through gates as narrow as three feet wide. For complete Boxer Equipment product information, go to [www.boxerequipment.com](http://www.boxerequipment.com).

### **About Morbark:**

Morbark, LLC, based in Winn, Mich., has been innovating and manufacturing durable, high-performance equipment for the forestry, recycling, tree care, sawmill and biomass markets for more than 50 years. Morbark equipment helps customers harvest, process and convert wood and other organic waste materials into valuable, useful and profitable products. The company produces a full line of whole tree and waste wood chippers, flails, brush chippers, horizontal and tub grinders, sawmill equipment, material handling systems and more.
