FOR IMMEDIATE RELEASE

Boxer[®] Expands Distributor Network Worldwide

Winn, Mich. (Feb. 16, 2017) – Boxer[®], manufactured by Morbark, LLC, recently added five new companies to its worldwide Boxer distributor network:

- ASAP Equipment, LLC, in College Station, Texas
- Global Machinery Sales Pty Ltd, with two locations in Australia: in Dandenong South, Victoria, and in Arndell Park, New South Wales
- Motor City Rentals, in Peoria, Ariz.
- PDQ CATV Supply, Inc., in Dunnellon, Fla.
- Rocky's Stone and More, in Mansfield, Texas

Global Machinery Sales also signed on as a Tree Care Products dealer for Morbark.

Rocky Mountain Reps, LLC, and Direct Sales, LLC, have signed Manufacturer's Representative Agreements with Morbark to promote the Boxer line. Rocky Mountain Reps will recruit sales to rental companies in Southern California; while Direct Sales' area of responsibility covers Alaska, Washington, Oregon, Idaho, Montana, Wyoming, Colorado, Utah, New Mexico and Arizona, as well as Clark County, Nev., and El Paso County, Texas.

"We continue to grow our Boxer distributor network around the world, adding companies that will give our customers the same high-quality service they know and expect from Morbark," said Mark Rau, Morbark Director of Dealer Support. "Our goal is to have the industry's best customer support, delivered locally by knowledgeable distributors who will help our customers succeed."

About Boxer Equipment:

Boxer Equipment has five model series available: the new X7 chipper, the 100 series dedicated trencher and the 300, 500/700 and now 900 series compact utility loaders, built to handle a full complement of more than 50 universal attachments. The Boxer's standard quick-attach system enables the user to quickly and easily switch from a bucket to forks to auger or other tools for optimum on-the-job flexibility and bottom line performance. A feature unique to the Boxer 500/700 series is its variable-width, rubber track undercarriage, which allows the units to enter through gates as narrow as three feet wide. For complete Boxer Equipment product information, go to www.boxerequipment.com.

About Morbark:

Morbark, LLC, based in Winn, Mich., is celebrating 60 years of innovating and manufacturing durable, high-performance equipment for the forestry, recycling, tree care, sawmill and biomass markets. Morbark equipment helps customers harvest, process and convert wood and other organic waste materials into valuable, useful and profitable products. The company produces a full line of whole tree and waste wood chippers, flails, brush chippers, horizontal and tub grinders, sawmill equipment, material handling systems and more.
